

# Thank You

for your purchase from the  
Wishing Well Gift Shop!

Did you know when you purchase a gift for yourself or someone special you are also giving another gift? All proceeds from the Wishing Well Gift Shop, which is owned by La Porte Hospital Auxiliary, go to support the health of our community.

In recent years the Auxiliary has donated \$100,000 to the Heart Center, \$82,000 in health field scholarships along with other needs and equipment for La Porte Hospital, and most recently the Global Electric Motorcar (GEM) as a new eco-friendly customer shuttle.
