*1 in 5 women suffer each month from heavy periods.  
There's Good News! There's a procedure here in La Porte  
that can relieve the pain, cramping and heavy bleeding.  
Endometrial Ablation is an in-office procedure that can  
return you to your normal routine after just ONE DAY!  
Learn more about this and other Minimally Invasive  
Women's Procedures at this FREE community program.*
