

Preserving Hearts, Protecting Lives

The Heart Cart

Mobile Screening Unit

Preserving hearts, protecting lives

Cardiovascular disease is the number one killer in our communities.

Now, La Porte Regional Health System is here to give you and your loved ones the best chance at preserving life.

Screening includes:

- Cholesterol and glucose test (10- hour fast)
- EKG
- Carotid artery screen
- Abdominal aortic aneurysm screen
- Metabolic syndrome risk identification
- Peripheral vascular disease screen
- Framingham Risk Analysis

Cost: \$100
(a \$1,200 value)
